Subject: CHI311 Request Cancellation

Dear JANE,

Thank you for taking the time to submit your service request on **7/8/2021** regarding **Water Quality Concern**. After review by responding department, your request number **SR21-01183906** has been canceled as of **7/8/2021** due to reason of **Not Enough Information**.

You can find additional details about the cancellation by going to the CHI311 Community Portal and entering your above SR# or calling 311.

Residents who care about their neighborhoods are the backbone of strong and vibrant communities, and our city works best when people take the time to let us know of a need for services in their neighborhood. We hope to hear from you again.

Every day, we work to ensure that the city departments provide the most efficient and best service possible and make certain that citizens are receiving timely and high-quality services that reflect the world-class city in which we live.

Thank you for being part of the CHI311 community!
